

Mr. Ernest Lee

Technical Partner of Deloitte China

Mr. Ernest Lee is a Technical Partner of Deloitte China. He provides technical support to some of the largest audit engagements of the Firm, on matters related to accounting, audit and governance. He is a CPA (Practising) and a fellow member of the ACCA and ICAEW.

Ernest actively contributes to setting financial reporting standards locally and internationally. He is the Immediate Past Chairman (2019-2021) of the Financial Reporting Standards Committee of the Hong Kong Institute of Certified Public Accountants (HKICPA). The Committee is responsible for setting financial reporting standards in Hong Kong. During his chairmanship, he represented the HKICPA on many international and regional meetings on standard setting. He has been a member of various HKICPA's Advisory Panels on financial reporting matters for a number of years. For more than 10 years, he served on the Review Panel for the HKICPA's Best Corporate Governance Disclosure Awards and provided technical support to the HKICPA's Professional Standards Monitoring Panel. He is currently a member of the Financial Reporting Review Panel of the Accounting and Financial Reporting Council.

Ernest is also the President of The Hong Kong Chartered Governance Institute (previously "The Hong Kong Institute of Chartered Secretaries"). As an advocate of education, Ernest also serves as an advisor to the Master of Accounting programme of Cambridge Judge Business School, University of Cambridge.
